## **Mission Point Resort Announces Season Opening Travel Packages**

### **Historic Mackinac Island resort will open for the season on May 6**

**Mackinac Island, MI** – When it comes to spring and summer, few places are as beautiful as northern Michigan's Mackinac Island. And when it comes to enjoying [Mackinac Island](#) to the fullest, nothing can compare to [Mission Point Resort](#), one of the island's largest and most diverse resorts.

Mission Point Resort, which will open for the season on Friday May 6, is offering a variety of season package opportunities for families and romantics looking for that perfect spring getaway.

Leading the way this spring is the *"Memorial Day Family Escape Package"*, one of the most popular family vacation packages at Mission Point Resort. The all-inclusive package allows families and children to enjoy and experience all of the exciting activities that Mackinac Island and Mission Point Resort are known for.

The Memorial Day package starts at \$549 and includes two nights lodging, four round trip ferry tickets, four Tower Museum tickets, four Butterfly House tickets, four golf rounds at Greens of Mackinac, and four two-hour bike rentals. Daily breakfast and dinner is also included. Kids under 12 eat free and remember that Mission Point has great family rooms. Families with young children should also inquire about the resort's "Kids Island Club," a 3,000-square-foot indoor activity center where trained counselors ensure that each child is entertained and educated.

The *"Economy Buster Package"* is the perfect affordable package for families and couples to experience Mission Point Resort and Mackinac Island. This 3-day/ 2-night package includes two-nights lodging, breakfast and dinner daily, and four round trip ferry tickets. Package prices start at \$339 for two adults, and \$399 for two adults and two children.

If you are looking for a unique and affordable one-night getaway with your spouse or friend then consider the *"Magic at the Point Package"*, which is a great opportunity to experience the peace and tranquility that Mackinac Island and Mission Point has to offer. This package starts at \$149 and includes one-nights lodging, two breakfasts in the Round Island Grill, and two round trip ferry tickets. Couples should be sure to inquire about upgrading to the newly renovated Tranquility King Rooms, offering beautiful views of Lake Huron.

Guests and families taking advantage of these spring season packages will be able to enjoy the many resort amenities and activities Mission Point Resort is offering. Other Mackinac Island and resort activities to experience include group and private carriage tours, historic Fort Mackinac, biking around the island, shopping downtown, or just relaxing on the nearby shores of Lake Huron.

Mission Point Resort is looking forward to hosting families, kids, and adults of all ages this

season. The resort is also pet-friendly, too!
